Physio-Control, Inc., (hereafter referred to as Physio) does not warrant that Physio products will perform error-free or without interruptions. The sole and exclusive remedy under this Limited Warranty is to repair or replace defective material or workmanship at the option of Physio. To qualify for the repair or replacement, the product must not have been repaired or altered outside of Physio factory in any way which, in the judgment of Physio, affects its stability and reliability. The product must have been used in accordance with applicable operating instructions and in the intended environment or setting.

The product must not have been subjected to misuse, abuse or accident. Physio, in its sole discretion, determines whether the product is field serviceable.
